

## KWIEC PROJECT REVIEW FORM

In accordance with KRS 42.738 which states – "The Kentucky Wireless Interoperability Executive Committee shall serve as the advisory body for all wireless communications strategies presented by agencies of the Commonwealth and local governments. All state agencies in the Commonwealth shall present all project plans for primary wireless public safety voice or data communications systems for review and recommendation by the committee, and the committee shall forward the plans to the executive director for final approval. Local government entities shall present project plans for primary wireless public safety voice or data communications systems for review and recommendation by the Kentucky Wireless Interoperability Executive Committee. All primary wireless voice and data communications projects will be submitted to the KWIEC for review.

The Kentucky Wireless Interoperability Executive Committee (KWIEC) has charged the KWIEC Facilitator to review all wireless communications projects submitted and to determine which projects are exempt, have previously been approved, or require detailed review by the KWIEC as required by KRS 42.734, 42.736, and KRS 42.738.
